Mechanical

- 3.6L DOHC V6 DI engine
 - 305 hp @ 6800 rpm, 264 lb-ft of torque @ 5200 rpm
 - Variable Valve Timing
- 6-speed automatic transmission
 - Helps provide smooth, effortless automatic shifting
 - Electronically controlled transmission with overdrive
 - Paired to the 3.6L V6 engine
- Axle, 2.77 final drive ratio
- Hill Start Assist
- Front wheel drive
- Battery, 70AH, maintenance free with rundown protection, heavy-duty 512 cold-cranking amps
- Alternator, 150 amps
- MacPherson-strut front suspension
 - Features a gas-charged struts and a stabilizer bar
- 4-link rear suspension
 - Uses a 4-link setup with gas-charged struts and coil springs that absorb road irregularities and isolate them from the cabin
 - A rear stabilizer bar helps ensure precise handling while cornering and driving through road curves
- Steering, power, variable assist, electric
- 4-wheel antilock disc brakes
 - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
- Brake lining, high-performance, noise and dust performance with FNC rotors
- Dual-outlet exhaust with bright tips
 - Stainless-steel with bright tips integrated in fascia

Interior

- Chevrolet MyLink[®] with 8" diagonal Color Touch Screen and Navigation
 - GPS navigation system that maps in 2-D and 3-D¹
 - AM/FM stereo with seek-scan and digital clock
 - 8" diagonal color touch screen for customizing and managing entertainment and vehicle feature settings²
 - Bluetooth[®]3 streaming audio for music and select phones

- Apple CarPlay™ and Android Auto™ compatibility for smartphones⁴
- Voice-activated technology for radio and phone

* May require additional optional equipment.

¹ Map coverage available in the United States, Puerto Rico and Canada.

² MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

³ Visit www.mychevrolet.com/learn (<http://>) for phone compatibility information.

⁴ Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Android Auto, Android, Google, Google Play and other marks are trademarks of Google Inc.

- Bose® Centerpoint® Surround Sound system with 11 speakers
 - Centerpoint sound-stage signal processing delivers a multi-channel surround-sound experience
 - Strategically positioned throughout the cabin for optimal acoustics

* May require additional optional equipment.

- 8" diagonal color touch-screen display
 - Use the power feature to raise or lower the display
 - Reveals illuminated concealed lockable storage behind the screen
 - Helps keep your mobile phone or media device out of sight
- Audio system feature, USB port, located in console
- USB ports
 - Conveniently located and provide out-of-sight storage for your USB devices¹
 - 2 are located inside the floor console
 - 1 is located behind the radio touch-screen

¹ Not compatible with all devices.

- Single-slot CD/MP3 player
 - Offers a choice of media so you can play your favorite music through your vehicle's audio system

* May require additional optional equipment.

- SiriusXM® Satellite Radio
 - Welcome to the world of SiriusXM¹
 - Enjoy your 3-month trial subscription to the All Access package with over 150 channels including commercial-free music, plus sports, exclusive talk, entertainment and news
 - Plus, listen on the app and online – it's included with All Access, so you'll hear the best SiriusXM has to offer, anywhere life takes you

¹ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call us at 1-866-635-2349. See our Customer Agreement for complete terms at www.siriusxm.com (<http://>). All fees and programming subject to change. ©2017 Sirius XM Radio Inc. Sirius, XM, SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. All rights reserved.

- Bluetooth®
 - Pair your mobile phone to your vehicle's infotainment system¹
 - Place and receive hands-free phone calls
 - Store your phone's contact list in the system to place an outgoing call quickly using the touch-screen display or voice command system
 - With streaming audio capability, you can listen to files stored on your phone or Bluetooth digital media device

¹ Go to www.mychevrolet.com/learn (<http://www.mychevrolet.com/learn>) to find out which phones are compatible with the vehicle.

- Steering wheel controls
 - Operate the audio system and cruise control without taking your hands off the wheel
 - Interact with the infotainment system
 - Activate the voice command system for hands-free phone conversations

- Wireless Charging
 - Uses induction technology for portable electronic devices¹

¹ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn (<http://my.chevrolet.com/learn>) for details.

Safety

- OnStar® 4G LTE and available built-in Wi-Fi® hotspot
 - A reliable, secure connection to the Internet for up to 7 devices¹
 - Includes Data Trial for 3 months or 3GB (whichever comes first)

¹ Available Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T. Visit onstar.com (<http://>) for details and system limitations.

- Brake Assist, panic
- Brake control, cornering
- StabiliTrak[®] electronic stability control system
 - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to keep you on your intended path
- Electronic traction control
 - Helps maintain traction when accelerating on slippery road conditions
- Daytime Running Lamps
- 10 air bags
 - Front air bags work with the safety belt system to help reduce the risk of injury to the driver and right-front passenger if involved in a moderate to severe frontal impact¹
 - Knee air bags work with the safety belt system to help reduce the risk of injury if involved in a moderate to severe frontal impact¹
 - Seat-mounted side-impact driver and front passenger air bags help reduce the risk of injuries for the driver and front seat passenger in side impacts¹
 - Roof rail-mounted head-curtain air bags help reduce the risk of head and neck injuries to occupants seated in the outboard seating positions in side-impact collisions and rollovers¹
 - Passenger Sensing System automatically switches the front passenger seat frontal air bag on or off¹

¹ Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- OnStar[®] Guidance Plan Limited Trial Service
 - Includes Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling minutes)¹

¹ Visit onstar.com (<http://>) for coverage map, details and system limitations. Services may vary by model and conditions.

- OnStar[®] Basic Plan for 5 years
 - Includes select vehicle mobile app features, Advanced Diagnostics and Dealer Maintenance Notification¹

¹ Does not include Emergency, Security or Navigation services. Visit onstar.com for coverage map, details and system limitations.

- Rear Vision Camera
 - When in Reverse, provides the driver of a view of the scene directly behind the vehicle on the Infotainment screen to help the driver park and avoid crashing into nearby objects during low-speed maneuvering¹

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

- Rear Cross Traffic Alert
 - When in Reverse, provides alerts to help drivers avoid crashing into approaching detected left- or right-cross traffic (e.g., out of a crowded parking space or driveway with side obstructions)¹

* May require additional optional equipment.

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

- Lane Change Alert with Side Blind Zone Alert
 - Provides side-mirror alerts to help the driver avoid crashing into a moving vehicle detected in their side blind spot (or zone)¹
 - Also helps detect a vehicle that is rapidly approaching their side blind spot during a lane-change maneuver

* May require additional optional equipment.

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

- Rear Park Assist
 - When driving in Reverse below 5 mph (8 km/h), provides distance-to-object alerts to help the driver park¹
 - Also helps the driver avoid crashing into nearby detected objects directly behind the vehicle during low-speed maneuvering

* May require additional optional equipment.

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.
